Product Sheet

Node 605

The Node 605 highlights a minimalistic, sleek Scandinavian appeal which is designed to integrate into your home theatre equipment.

Featuring a stunning exterior appearance accompanied by a modern, black interior with sound and vibration dampening materials, the Fractal Design Node 605 supports a full ATX motherboard as well as a graphics card up to 280mm in length.

Cleverly hidden behind the access panel on the solid 8mm thick aluminum front panel are two USB 3.0 ports, a FireWire port and a multi-format card reader for multiple formats.

Key features

- Solid aluminum front panel
- Supports full ATX motherboards
- Noise-dampening material
- 4 HDD/SSD slots
- Integrated card reader
- Two Silent Series R2 hydraulic bearing fans included
- Supports graphic cards up to 280mm in length (180mm with all hard drives in place)
- USB 3.0 and FireWire front connectors
